DILLON WOMAN WINS \$500 SCHOLARSHIP AT UM

MISSOULA--

Linda Yoshimura, Dillon, a senior in microbiology at the University of Montana in Missoula, has received a \$500 Gerard Scholarship for study at UM.

Yoshimura, daughter of Dr. and Mrs. Kenneth Bandelier, Dillon, is a 1976 graduate of Beaverhead County High School.

While at UM Yoshimura has been an active member of the UM Collegiate Chorale, Opera Workshop, the Mortar Board service and scholastic honorary and University Colorguard. She has served as the president of the UM Pre-Med Club and vice-president of the UM Scottish Country Dancers. She was awarded as the Outstanding Freshman Cadet in the UM Military Science Department and was the Military Ball Queen in 1977.

The Gerard Scholarship was established in 1969 by Sumner Gerard in memory of his father James Gerard for outstanding UM students from Madison, Beaverhead and Yellowstone Counties. It is given from the more than \$150,000 in undergraduate scholarships administered by the UM Foundation.

Founded in 1952, the UM Foudnation over the past quarter century has become the principal source of scholarship funds for the University, providing scholarships in virtually every discipline. Many of the scholarships are offered in memory of deceased alumni, parents or firends as well as other distinguished Montanans and supporters of higher education. Persons interested in creating new scholarships are encouraged to contact the UM Foundation at (406) 243-2593.
